**PRIME TIME HOME EQUITY LINE OF CREDIT
DISCLOSURE
1.5% PAYMENT**

This disclosure contains important information about your Home Equity Line of Credit. You should read it carefully and keep a copy for your records.

Availability of Terms: All of the terms described below are subject to change. If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you paid to us, or anyone else in connection with your application.

Security Interest: We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your agreement with us.

Possible Actions: Under certain circumstances, we can (1) terminate your line and require you to pay us the entire outstanding balance in one payment; (2) refuse to make additional extensions of credit; and (3) reduce your credit limit. We can terminate your account and require you to pay us the entire outstanding balance in one payment if: (1) you engage in fraud or material misrepresentation in connection with the plan; (2) you do not meet the repayment terms; or (3) your action or inaction adversely affects the collateral or our rights in the collateral. We can refuse to make additional extensions of credit or reduce your credit line if: (1) you engage in fraud or material misrepresentation in connection with the line; (2) you do not meet the repayment terms; (3) your action or inaction adversely affects the collateral or our rights in the collateral; (4) the value of the dwelling securing the line declines significantly below its appraised value for purposes of the line; (5) we reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances; (6) you are in default of a material obligation of the agreement; (7) government action prevents us from imposing the annual percentage rate provided for or impairs our security interest such that the value of the interest is less than 120 percent of the credit line; (8) a regulatory agency has notified us that continued advances would constitute an unsafe and unsound business practice; or (9) the maximum annual percentage rate is reached.

Minimum Payment Requirements: You can obtain credit advances for 10 years. During this period, payments will be due monthly. Your minimum monthly payment will equal 1.5% of the principal loan account balance or \$25 whichever is greater. The minimum monthly payment may not be sufficient to fully repay the principal that is outstanding on your line at the end of 10 years. If they are not, you will then be required to pay the entire balance in a single payment.

Minimum Payment Example: If you made only the minimum monthly payment and took no other credit advances, it would take 10 years to pay off a credit advance of \$10,000 at an ANNUAL PERCENTAGE RATE of 5.00%. During that period, you would make 119 payments varying between \$150.00 and \$41.35 with a final payment of \$2,726.46.

Fees and Charges: To open and maintain an account, you must pay a Documentation Fee (due when account is opened) and an Annual Maintenance Fee: This account requires a \$100 documentation fee for Citizens National Bank mortgage customers, which is waived if the credit line is opened at the time of the first mortgage closing. Non-Citizens National Bank mortgage customers are required to pay a \$225 documentation fee. The Annual Maintenance Fee is waived for the first year. Thereafter the annual maintenance fee will be \$50. A "Prepayment Penalty" up to \$250 will be assessed if the loan is paid in full and closed during years 1 and 2.

Refundability of Fees: If you decide not to enter into this plan within three days of receiving this disclosure and the Home Equity booklet, you are entitled to a refund of any fee you may have already paid.

Tax Deductibility: You should consult a tax advisor regarding the deductibility of interest and charges for the plan.

Variable Rate Feature: This plan has a variable rate feature and the annual percentage rate (corresponding to the periodic rate) and the minimum monthly payment can change as a result. The annual percentage rate includes only interest and not other costs. The annual percentage rate is based on the value of an index. The index is the highest rate on corporate loans posted by at least 75% of the USA's thirty largest banks known as The Wall Street Journal Prime Rate and is published in The Wall Street Journal. To determine the annual percentage rate that will apply to your account, we add a margin to the value of the index. Ask us for the index value, margin, discount and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we send you.

Rate Changes: The annual percentage rate can change daily. There is no limit on the amount by which the rate can change for any one year period. The maximum ANNUAL PERCENTAGE RATE that can apply during the plan is 17.5%. The minimum ANNUAL PERCENTAGE RATE that can apply during the line of credit is 5.00%.

Maximum Rate and Payment Examples: If you had an outstanding balance of \$10,000, the minimum monthly payment at the maximum ANNUAL PERCENTAGE RATE of 17.5% would be \$150.00. The maximum annual percentage rate could be reached in the first day following an initial hold of one day.

Historical Example: The following table shows how the annual percentage rate and the minimum payments for a single \$10,000 credit advance would have changed based on changes in the index over the last 15 years. The index values are from the first business day of January. While only one payment amount per year is shown, payments would have varied during each year of the draw period. The table assumes that no additional credit advances were taken, that only the minimum payment was made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments would change in the future.
